**PITMAN, J.**

A rehearing is granted for the limited purpose of vacating that portion of the opinion remanding the matter to the lower court for notification to the juvenile defendant of the requirements for registration as a sex offender.

This issue was not addressed below and was raised in the original opinion of this court as error patent. The matter is remanded to the lower court for a determination of whether J.C. is required to register as a sex offender in light of the provisions of the Louisiana Children's Code, including La. Ch. C. art. 884.1, Title 15 of the Louisiana Revised Statutes, including La. R.S. 15:542, and any other applicable provisions. This will allow the record to be properly developed on this issue. In all other respects, the adjudication and disposition are affirmed.
