MS STEPHENS, J., would deny. This civil matter is on appeal from the trial court's January 30, 2023, judgment denying the appellant's petition seeking mandamus relief. The appellee has moved to supplement the appellate record with a September 20, 2023, hearing transcript and judgment in this matter. The September 20, 2023, hearing and judgment were rendered subsequent to the judgment being appealed; therefore, the appellee's motion to supplement is denied.
