VESTER JOHNSON

FILED: 10/10/22

On application of Vester Johnson for MANDAMUS in No. 101,994 on the docket of the Thirty Ninth Judicial District, Parish of RED RIVER, Judge Eric R. Harrington.

Before STONE, COX, and STEPHENS, JJ.

ORDER

The applicant, Vester Johnson, seeks to enforce this Court's previous order dated November 29, 2022, directing the trial court to dispose of Johnson's most recent application for post-conviction relief and/or his motion to recuse. The trial court filed a response to this Court's order on December 12, 2022. Johnson concedes that the trial court complied with this Court's order, but now complains that the district court has not issued a ruling on his Motion to Quash Grand Jury Indictment. Because this Court issued no directive to the trial court to dispose of this subject motion in this Court's prior order, applicant's request to enforce this Court's order dated November 29, 2022, is denied.
