ORDER

The appellant, the City of Shreveport, appeals an interlocutory judgment rendered orally on September 25, 2023, and memorialized in a written judgment on October 17, 2023, as well as a partial final judgment rendered orally on October 19, 2023, and memorialized in a written judgment on November 2, 2023. The appellant has filed a motion to supplement the record with a transcript of the October 19, 2023, telephone conference and to suspend briefing pending the supplementation of the record. However, the trial court has advised that no transcript is available because there was no court reporter present for the phone call and no recording to transcribe. Accordingly, the motion to supplement the record and suspend briefing is denied.
