ORDER

The trial court's June 26, 2025, Judgment granting the Defendants' exception of vagueness and exception of no cause of action in part is not a final judgment subject to immediate appeal. However, the motion to appeal filed on July 18, 2025, was timely filed within the time delays to seek supervisory review of the ruling under U.R.C.A. 4-2 and 4-3. It is within this Court's discretion to convert the improper appeal to an application for supervisory review. *Stelluto v. Stelluto*, 05-0074 (La. 6/29/05), 915 So. 2d 34. Accordingly, the appeal of the June 26, 2025, Judgment is hereby converted to a writ application and will be considered under this Court's supervisory jurisdiction when briefing is complete. Additionally, the motion to supplement is denied. Applicant's "Motion To Compel Supplementation Of The Record and Request For Extension Of Time To File Appellants' Brief" is also denied.
