ORDER

Applicant Dylan Magluilo has filed a pre-lodging motion seeking an extension of the return date set by the trial court to file his application for supervisory review. Applicant's motion for extension of time to seek supervisory review is denied as unnecessary. This Court does not apply the requirements of U.R.C.A. 4-2 and 4-3 to applications for supervisory review of rulings on applications for post-conviction relief. Thus, the applicant may timely seek supervisory review of the trial court's ruling denying his Uniform Application for Post-Conviction Relief without regard to the return date set by the trial court.
