REHEARING NOT CONSIDERED.

The applicant, Regina Carter, seeks rehearing of this Court's November 5, 2025, order that her writ application was not considered because her request for supervisory review of the trial court's ruling granting a preliminary junction was filed beyond the time limit mandated in La. C.C.P. art. 3612. Carter's request does not qualify for rehearing under U.R.C.A. 4-9 and 2-18.7. Accordingly, this application for rehearing is not considered.
