WRIT DENIED.

The applicants, Joshua Porter and Yetta Porter, seek supervisory review of the trial court's ruling on their motion to supplement their opposition to Willis Knighton's summary judgment motion or to continue the summary judgment hearing. In oral rulings rendered on October 23, 2025, and in two separate written rulings on November 4, 2025, the trial court rendered an interlocutory ruling denying the Porters' motion and rendered a final judgment granting Willis Knighton's motion for summary judgment and dismissing the claims against Willis Knighton. On December 10, 2025, the Porters filed their request for a devolutive appeal of the final judgment, which was granted on December 17, 2025, and their request for a devolutive appeal of the interlocutory ruling, which was denied on January 21, 2026. On January 22, 2026, the Porters filed a notice of intent to seek supervisory review of the October 23, 2026, oral interlocutory ruling on their motion to supplement their opposition to Willis Knighton's summary judgment motion or to continue the summary judgment hearing. On the showing made, the writ is denied. La. C.C.P. arts. 1841, 2201, 2083, and 2088; U.R.C.A. 4-2, 4-3, and 4-5.
