WRIT DENIED; STAY DENIED.

Applicant Johns Allen Russ seeks expedited supervisory review of the July 21, 2026, and July 29, 2026, rulings of the trial court denying a motion for continuance and motion in limine to exclude evidence and a stay of the trial. Applicants have failed to include any argument regarding the ruling denying the continuance or a copy of the motion to continue in violation of U.R.C.A. 4-5. The writ also contains no evidence of any ruling by the trial court on the motion in limine as required by U.R.C.A. 4-5. Additionally Applicant failed to include a transcript of the proceedings so that fair review of the claims can be made. Accordingly, on the showing made, this writ is hereby denied. Applicant's request for a stay is denied.
