Before PITMAN, ROBINSON, and HUNTER, JJ.

WRIT DENIED.

The applicant, Christopher Weston, seeks supervisory review of the denial of his April 2026 application for post-conviction relief. On the showing made, the writ is denied. La. C. Cr. P. arts. 926.2, 927, and 930.8.

Shreveport, Louisiana, this 30 day of September, 2026.

  _____

 HUNTER, J. would grant. The applicant seeks supervisory review of the trial court's denial of his application for post-conviction relief. La. C. Cr. P. art. 926.2 allows a petitioner who has been convicted of any offense to seek post-conviction relief on the grounds of factual innocence under certain conditions. In this case, the petitioner has presented an affidavit executed by the victim, in which the victim recanted his trial testimony identifying defendant as the shooter. The petitioner also provided a letter from another eyewitness, who stated the petitioner was not the person she saw in the vehicle on the night of the shooting. I believe the letter from Ms. Foster, accompanied by the victim's

recantation, is sufficient to grant petitioner’s application for post-conviction relief.
