O R D E R

On November 5, 2016, Rentokil North America, Inc. ("Rentokil"), filed this pre-lodging motion requesting an extended return date to file its writ application seeking supervisory review of an October 7, 2026, ruling granting the plaintiff's partial motion for summary judgment. Rentokil claims that it filed its notice of intent to seek review and obtain a return date on October 30, 2026, but that the signed order is unavailable and will not be signed until the presiding judge returns on November 9, 2026. Rentokil requests that this Court grant it an extension to December 6, 2026, to file its writ application. However, Rentokil fails to provide any documentation of the ruling, the notice of judgment, the notice of intent to seek review and request for a return date, or a confirmation of the timely filing of

the notice of intent to seek review and request for a return date in compliance with U.R.C.A. 4-2 and 4-3. On the showing made, the motion is denied.
